THE PRESIDENT'S PERSPECTIVE

Wow, what a month! We had three new representatives installed at our October meeting: Renee` Brown, Dunamis Technologies, LLC, Teresa Davidson, Equity Solutions USA, Inc., and Vickie Jackson, MS State Personnel Board.

Thanks to the nominating and installation committees, a new first rate board of directors was installed for the new year. This promises to be an exciting year in the life of our chapter. I am pleased to report that the new board and I met for retreat this month, where we had opportunity to consider and plan for the year. I am truly impressed by the enthusiasm, volunteering spirit and dedication of our new and very capable board of directors.

Committee assignments have been made and published. If not already, the chairpersons will be contacting you soon to solicit your active involvement and participation to meet the objectives of your committee.

You and your executives, **not to mention invited guests**, will not want to miss Firm Night. Libby, Sylvia and the Firm Showcase committee have been working hard, and this promises to be a phenomenal evening. Don't miss this opportunity to learn more about many of our member firms that have chosen to exhibit, and of course, it will be a wonderful time to network with our executives, guests, and fellow representatives.

I want to commend the Ways and Means committee for another successful Golf Classic last month. Fortunately, economic conditions had little bearing and we enjoyed proceeds comparable to prior years.

Our resident webmaster, Dianne Luckett, is working on updating our chapter website. Posting of new officers to the site should be forthcoming, and we hope to incorporate more happenings and publications through the site to help keep us informed and **connected**. Dianne has done a great job thus far, and if you are not visiting the site regularly, you may miss something.

Finally, I am privileged to serve as your president; and along side of you this year. I am energized by the encouragement and support that you have so warmly expressed. Together we will make it a great year, so stay tuned and stay connected.

As we enter and enjoy the holiday season, let's pause often to be reflective and thankful for all our blessings, including our families, freedom, health, work, and our endearing and enduring EWI friendships.
