

Barlow • Eddy • Jenkins, P.A. - In 1958, Charles C. Barlow and H.C. Plunkett founded their innovative architectural and engineering firm upon a single primary principle: The design of the built environment must enrich human experience. Personal involvement by principals of the firm in design and construction observation has been a policy throughout the firm's history. In the decades since, Barlow & Plunkett, Ltd. has turned that principle into a commitment, compiling a record of pioneering achievements within our profession in Mississippi.

In the early 1990's, the firm leadership was transitioned to Chuck Barlow, Scott Eddy, and David Jenkins, and in 1997, the firm name was changed to Barlow • Eddy • Jenkins, P.A.
