

Entergy Mississippi, Inc. provides electricity to more than 435,000 customers in 45 counties. It is a subsidiary of Entergy Corporation.

Entergy Corporation is an integrated energy company engaged primarily in electric power production and retail distribution operations.

Entergy owns and operates power plants with approximately 30,000 megawatts of electric generating capacity, and it is the second-largest nuclear generator in the United States. Entergy delivers electricity to 2.7 million utility customers in Arkansas, Louisiana, Mississippi and Texas.

Entergy is a Charter Member of EWI of Jackson

EWI of Jackson's
Philanthropy Director
for 2009-2010
Sandy Powlett

Sandy Powlett has been with Entergy Corporation for 14 years. She began her career with Entergy Services Inc. in West Monroe, LA as a Customer Service Representative and served in several customer service roles. In 2000, she moved into the position of Assistant to the Director of Customer Service Centers and Credit & Collection. This included all entities under Entergy Corporation (Louisiana, Arkansas, Texas & Mississippi). Sandy enjoyed the responsibilities and support that an executive assistant provides a leadership team. She joined the Vice President of Customer Operations in 2004 and is currently serving on the management team as an Analyst supporting the President and CEO of Entergy Mississippi, Inc.

Sandy lives in Brandon with her husband Steve. She is currently a participant in the Leadership Greater Jackson Class of 2009-2010.

Sandy has served on the EWI of Jackson Board as Publication Director and Philanthropy Director in previous years as well as the Chair of the Courtesy Committee. She is very passionate about EWI's philosophy of promoting member firms, individual development and encouraging community involvement.
